

Hargrove Gas Log Natural Gas RADCO Packet

Parts Included

<u>Part#</u>	<u>Description</u>
Swedge-4	Swedge for 1/2" NPT Burner Pan
HCPP-4	Orifice/Hex Countersink Pipe Plug
DS	Damper Stop

Steps For Installation (see Fig. 1)

1. The HCPP-4 is already orifice and installed in the swedge.
2. Use a hammer to tap the swedge-4 into the inlet side of the burner pipe on the end of the ember burner pan.
3. See Natural Gas Parts Package for further installation instructions. (If installing a pilot control, see the pilot control installation instructions)
